

Young Professionals: How to Register your Young Professionals Group

All Red Cross Clubs (including Young Professional / Club Red groups) must register their group on Volunteer Connection.

Young Professionals groups should register their “Club” at the beginning of each fiscal year or when the group is founded.

In addition, all group members should register as a Red Cross volunteer in Volunteer Connection. Group members should maintain their member profile in Volunteer Connection (including phone number, email and completed volunteer hours).

Note: Only one Group member needs to complete the Club Registration process. The Group President or Chair should be responsible for registering the group.

Please review this guide before completing the registration process to ensure you have all the required information.

How to Register your Young Professionals / Club Red group:
