Kicking Off Summer Right

Congratulations on finishing another school year! Just because the school year has ended does not mean that you have to stop volunteering with the Red Cross. Donate blood to celebrate World Blood Donor Day on June 14 (or any day this summer) or organize a fundraiser at your local chapter. We have several activity guides to choose from, including our Top Fundraising Ideas.

Help us recognize an inspiring volunteer, Red Cross Club or council by emailing wyhe.nyc@gmail.com or by posting in our Facebook Group so that they can have a chance to be featured on RedCrossYouth.org.
