

Prepare. Educate. Save lives.

HEALTH AND SAFETY

- NYIM 2017 -

Help people in your community by giving them the skills and knowledge needed for responding to an emergency.

#NYIM2017's theme is *Travel Beyond The Boundaries (#TBTB)*. Our youth volunteers go beyond the boundaries in all lines of service, not just health and safety! Sign up now!

WHAT ARE SOME PROJECTS MY CLUB CAN TAKE ON?

- **Citizen CPR** teach others in your community how to perform Hands-Only CPR
- **Home Fire Campaign events** canvass neighborhoods, educate residents, and even install smoke alarms all to help those in at-risk neighborhoods to prepare for home fires.
- **Preparedness Week** put together a five-day campaign that aims to motivate students to take action in preparing themselves and their peers
- **Zombie Apocalypse Party** put together an impending "zombie apocalypse" to help educate your community how to prepare for disasters
