September 2021 CCC: Getting started with the New School Year and Field Ambassador Applications

Impact Starts Here
Agenda

- Icebreaker
- National Disaster Initiatives, and more!
- Sickle Cell Awareness and how you can get involved
- Closing remarks, etc.
Icebreaker!

- Put your response in the chat!
  - Name
  - Grade
  - Region that you’re based in!
  - Favorite movie or tv show!
What disasters are happening in the United States right now and how is the Red Cross helping?

Put your answers in the chat!

Hint: Think of any recent disasters that have made headlines on the news!

Impact Starts Here
Quick Exercise (1)

Western Wildfires (California)

Photos of buildings and the Red Cross responding both the Dixie and Caldor fires. Adapted from “Red Cross Helping as Wildfires Continue to Burn”
Quick Exercise (2)

Hurricane Ida + Nicholas + Flash Flooding (Louisiana, Alabama, Mississippi, Greater Pennsylvania, New Jersey, New York, Tennessee)
Introductions – Sam Johnson

Youth Preparedness Program Lead
Community Preparedness Education Programs and Youth Preparedness
American Red Cross, National Headquarters

Sam.johnson@redcross.org
Ongoing Responses

- Hurricane Ida: Mass Care
  - Damage assessments, providing cleaning supplies, shelter

- Afghanistan Evacuees: First aid, replacing items, working with community partners
Youth Preparedness Programs Overview
The Pillowcase Project

- For 3rd-5th grade students
- Idea came from Southeast Louisiana Red Cross Chapter during Hurricane Katrina
- Trained presenters teach a 40-60-minute lesson about a local hazard, coping skills, and general emergency preparedness
- Students receive a pillowcase to decorate as an emergency kit along with a workbook and fabric marker
- Over 1.5 million students reached since 2015!
Prepare with Pedro

- For kindergarten through 2nd grade students
- FY21 is first year of national implementation!
- Students receive a 30-45 minute lesson and a storybook to take home and share with their households
- Over 75,000 students reached since 2017!
Modified Program Implementation
Youth Resilience Resources
Working with your local DCS team

Sickle Cell Awareness and how you can help!
Sickle Cell Awareness and how you can help!

A patient with sickle cell disease may need up to **100 units** of blood each year to treat complications from the disease.
Sickle Cell Awareness and how you can help! (3)

1. Host a blood drive
2. Host an Iron Rich Feast
3. Stay involved with National Youth Council DEI initiatives
4. Educate yourself more about sickle cell
5. Educate others on sickle cell
Youth Spotlight Nomination!
