The Red Cross will instate an organizational COVID-19 vaccination requirement beginning January 4, 2022.

All volunteers who perform in-person assignments and activities must record documentation of their vaccination in Volunteer Connection with supporting documentation of vaccination.

“In-person” assignments and activities include:

- Entering Red Cross vehicles, sites and facilities (mobile or fixed)
- Attending in-person meetings, recognition events or trainings
- Serving in field assignments or at partner locations on behalf of the Red Cross
Red Cross Volunteer COVID-19 Vaccine Requirement

- The Red Cross will not offer testing as an alternative to vaccination.
- Medical or religious accommodations do not apply to the volunteer workforce.
- Volunteers who do not report their vaccine status will be presumed unvaccinated after January 3, 2022.
- Volunteers choosing not to take or report the vaccine at this time, may request transitioning to virtual positions to continue volunteer engagement.
Red Cross National COVID-19 Vaccine Requirement

The American Red Cross requires all employees and in-person volunteers to be vaccinated against COVID-19 effective January 4, 2022.

Who is included in this requirement?
- All Red Cross employees, including fully remote workers, unless approved for a medical or religious accommodation.
- All Red Cross volunteers, except those who work 100% virtually and never perform in-person mission delivery or attend meetings or events in person.

IF YOU:          THEN YOU ARE:

Have received your final vaccine dose on or before January 3

Eligible to Work or Volunteer at the Red Cross

Are Planning to Get Vaccinated

Eligible to Work or Volunteer Until January 3*
- To meet January 3 deadline, 1st vaccine dose (of 2-dose vaccines) is recommended by December 6, 2021 to account for the waiting period between doses.
